_____ A.P.N _____

Description of proposed use of property: _____

The undersigned is the owner of the property described above and hereby applies for water and sewer service for the property. Along with this application, applicant submits the following:

1. A deposit of an amount equal to twice the estimated monthly billing to be used as security for District charges. Unless EITHER Applicant has a record of timely payment for the past three years for service from the District OR submits evidence from Applicant's previous water supplier of timely payment for the past three years. If payments become excessively delinquent a deposit will then be required.
2. Please provide a copy of a government issued photo id (for security and or identification purposes only).

All water and sewer operation, construction and service must be in accordance with all County and District ordinances, resolutions, rules and regulations, the District's Standards and Specifications, and the approved construction plans and specifications, if any. Properly licensed contractors must perform work. If payments become excessively delinquent a deposit will then be required.

Applicant (does) (does not) owe an amount to the District for previous service.
**MOST WATER AND SEWER CONSTRUCTION WORK REQUIRES A DISTRICT PERMIT.
