The undersigned is the owner of the property described above and hereby applies for water and sewer service for the property. Along with this application, the applicant(s) needs to submit the following:

1. The use of the property will be only as a single-family residence.
2. A cash guarantee deposit of an amount equal to twice the estimated monthly billing to be used as security for District charges. Unless EITHER Applicant has a record of timely payment for the past three years for service from the District OR submits evidence from Applicant's previous water supplier of timely payment for the past three years. If payments become delinquent twice in a four-month period, a cash guarantee deposit will then be required. In lieu of a deposit or letter of credit, the Applicant(s) may set up automatic monthly payments using their credit/debit card.

All water and sewer operation, construction and service must be in accordance with all County and District ordinances, resolutions, rules and regulations, the District's Standards and Specifications, and the approved construction plans and specifications, if any. Properly licensed contractors must perform work. All payments must be made in a timely manner. *Warning: If your home is equipped with a fire sprinkler system, the termination of water service will shut off water to the fire sprinkler system and your home will not be protected against fires.*

Applicant (does / does not) owe an amount to the District for previous service.
